Christmas Tree

You will need:

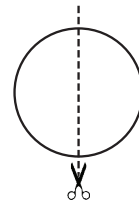

- Poster Colours (green)
- Paint brush
- Scissors
- White glue
- Plate
- Stapler
- Pipe cleaners
- Glitters
- Chart paper
- Pencil
- Pompoms

Step 1: Put a plate on the chart paper and trace around it with a pencil.

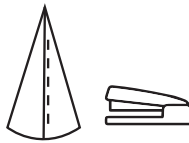

Step 2: Cut the traced outline with scissors.

Step 3: Cut the circle in half.

Step 4: Meet both corners in the middle to create the cone shape.

Step 6: Use the stapler to attach the sides together.

Step 7: Use a paint brush to colour the cone green with poster colours.

Step 7: Have fun and decorate your Christmas tree!
Use white glue to attach your decorations (Pipe cleaners, pompoms, glitters)
