

# What a Sweet Tooth!

**Record Sheet:** Use this sheet to write down all your measurements and use it to compare the results.

Type of Treat	Time Taken (in seconds)				Did it melt?	Taste Test
	Warm milk	Cold milk	Hot water	Cold Water	Yes/ No	😊 / 😞
Milk Chocolate						
White Chocolate						
Dark Chocolate						
Marshmallows						
Candy Canes						

# What a Sweet Tooth!

**Results:** When carrying out experiments, scientists always keep a record of their results to share with other scientists. Use this sheet to write down your results.

Which treat, and in which liquid, dissolved first?

Which was the slowest treat to dissolve and in which liquid?

Which treat, and in which liquid, did not change at all?

Which was the best in taste?
