PLANETARIUM SHOWS

Accidental Astronauts

Follow the adventures of Cy and Annie, together with their dog Armstrong, as they embark on an unexpected journey into Space.

Magic Globe

On vacation at her grandpa's, little Mia accidentally discovers a mysterious piece of astronomical machinery. Edek, Mia's eccentric uncle, tricks the girl into using the tool's secret powers to change the world's seasons.

Perfect Little Planet

Discover what you may find on other planets in our solar system as a family from another star system seeks a vacation location in our solar system.

Dinosaurs: A Story of Survival

Celeste, fascinated by dinosaurs, is preparing a talk on their extinction when Moon poses a tantalizing question: what if dinosaurs still exist? Celeste joins Moon on a journey through time to the cataclysmic event that caused the mass extinction, discovering the key to their survival.

We are Stars

Connect life on Earth to the evolution of the Universe by following the formation of Hydrogen atoms to the synthesis of Carbon and the molecules for any form of life.

Dream to Fly

Dream to Fly is a poetic and touching story of aviation development through the ages. Discover more about the first plane, the hot-air balloon, and even Leonardo da Vinci's flight inventions in Dream to Fly.
